

### **Students May Not Carry Medication**

Students may not carry any medications (prescription or over-the-counter) during the school day, as per Regulation R-5141. Exceptions to this regulation are life-saving medications, i.e., Epi-pen, inhalers and diabetic medications.

All medications (Rx, OTC and life-saving medications) require a doctor's order on file in the Health Office.

Please help us keep our students safe in complying with our district's regulation regarding medications. Please contact the Health Office with any questions or concerns.
